You are required to bring your own vehicles that will then be used for daily transportation to and from the work sites. Please follow these guidelines:

- Church groups of 1-10 people will need a vehicle that can seat at least 10 people (we suggest using a 12 passenger van).
- Groups with 10 plus people will need a vehicle for every 10 people you have.
- Groups who fly are asked to rent vehicles for transportations to and from the airport and for daily transportation.
- Please figure the cost of gas for transportation into your budget.
- We will need to know who your van drivers are so we can make sure we have a van driver for each work group.
- If for some reason you have to use vehicles other than 12 passenger vans, PLEASE let Danny know in advance so he can plan work groups/drivers accordingly.

Work Groups

All participants will be assigned work groups. Work groups are normally made up of people from all of the church groups.

ADULT LEADER POLICIES / EXPECTATIONS

Adult to Student Ratio

For reasons of safety, supervision and support, each group attending a Son Servants trip should be prepared to meet the Son Servants requirement of one adult leader for every six students in your group in relation to gender. If you are unable to meet this ratio, please contact our office to discuss possible solutions.

Expectations for Adult Leaders

- ➔ Son Servants classifies all adults accompanying their church youth group (including both paid church staff and volunteers) as adult leaders and has certain expectations for them. It is our strong belief that adult leaders play an important role on Son Servant mission trips.
- ➔ Adult leaders are asked to set an example that is pleasing and glorifying to Christ before all participants, not just those from their own churches.
- ➔ It is our hope and expectation that in all areas (including dress code compliance, meeting attendance, work site conduct, bedtime and wake-up, as well as any unexpected situations) adult leaders would set an example of love, service and cooperation and would encourage their students by word and deed to do the same.
- ➔ Please be aware that our Son Servants Staff will be leading the worksites. Adult leaders are asked to be encouragers and teachers on the worksites and to lead the worksite if a Son Servants staff member is not available (or if an adult has construction experience that he or she is willing to share).
- ➔ Adult leaders are also asked to:
 - ➔ Attend counselor meetings
 - ➔ Enforce the rules and discipline when necessary
 - ➔ Help with wake-up and bedtime
 - ➔ Be alert to student behavior during Quiet Time, always setting the example and encouraging students to use that time well.

BEHAVIOR CONTRACT

Although this city is in the United States, and many of the cultural expectations are the same as you are used to, you are still a visitor in someone else's home, a representative of your church and an Ambassador for Christ. Therefore, there are some general rules to follow while on this trip.

- Use or possession of alcohol, drugs and tobacco/vape products is strictly prohibited.
- Stay within the boundaries of the Group Campground unless you are with an adult counselor from your group.
- You should always follow the Son Servants staff or your counselor's instructions, even if you don't understand them.
- We ask that you limit the use of your cell phone for taking pictures and an alarm only. This is one week that you have to focus on serving God and others, so we ask that you can sacrifice for that period of time.
- You should dress modestly whether at the work site, the camp, or in town. This means AT LEAST finger-length shorts, knee-length skirts and modest swim wear. Girls may wear one-piece OR full coverage tankini swimsuits ONLY.
- Do not make fun of local people's manner of speaking, accent or way of doing things. Remember, you are visitors!
- Respect people's dignity and privacy by not taking pictures of houses and property. You can take pictures of the families, but only after you know them and ask them...then your pictures are of your friends, not some "poor people." Please do not post any pictures on social media without permission.
- Do not give away things to people and respond to requests for money without first checking with your leader or Son Servants staff.
- When you get frustrated with things like the pace of life, new kinds of food, heat, transportation problems, clothing regulations, etc., just remember that it is not necessarily right or wrong -- just different! Flexibility is the name of the game.

CHATTANOOGA DAILY SCHEDULE

Here are a few descriptions of the daily activities of a Son Servants trip. Remember, the daily schedule is an example only; it will be adjusted to fit our needs once we are together. We try to be flexible with the schedule and may make adjustments throughout the week to accommodate our plans and program.

The camp will be divided into **WORK GROUPS** of 8-12 people.

The work group will remain together all week. Usually there is a project coordinator from our host agency or Son Servants staff with each work group. Adults with construction experience may be asked to help lead a work project.

COUNSELOR MEETINGS provide times for leaders to worship, fellowship and pray together. It is also a time to receive information and announcements and to express any concerns you have. We ask all groups to send at least one representative to each counselor meeting.

Evening Program consists of singing, skits, testimonies, speakers and other activities. It is designed to build group unity and encourage spiritual growth. Although the Son Servants staff will plan the meetings, input and involvement by groups and their leaders is desired and encouraged!

Son Servants provides a **QUIET TIME** guide for each participant.

In the morning, right before or right after breakfast depending on your specific camp, the entire group will be still and individually spend time with the Lord. Please prepare your students before the trip for this time.

FAMILY TIME is time for your youth group to spend together playing, talking and growing closer through the shared experience. We provide some ideas and suggestions and really encourage you to use this time for processing the trip with your students, however, this time is yours to use as you wish!

DRESS CODE POLICY

As we serve the Lord in our Chattanooga locations, we must remember that we are an example to both the believers and non-believers with whom we come into contact. In addition, we want to remove some of the things that distract us back home so that we can better focus on the purpose of the trip – serving others and listening for what God might want to teach us.

For this reason, we have tried to keep modesty in mind and have developed a dress code which stands for ALL participants, both student and adult, on ALL of our trips. Additionally, some of the organizations we will be working with have specific dress requirements for safety reasons.

General Dress Code for all Son Servant camps

No tank tops - in an effort to eliminate past confusion about what tank tops were and were not appropriate. We ask that everyone wear shirts with sleeves at all times.

Swimsuits: Both male and females should wear modest swimsuits. Females should wear a one-piece or full coverage tankinis. The only swimming avail at HB is the lake where there is no lifeguard. facilities where we're staying; however, some may choose to wear swimsuits in the shower. Also, there may be swimming opportunities on your free half day.

All shorts must be finger-tip length. When you hold your arms at your side, the bottom of your shorts must meet your fingertips. If your shorts aren't long enough, you will be asked to change.

Son Servants Sexual Misconduct Policy

We live with an increased awareness of human rights. It is in that spirit that certain guidelines have been established in order to assure that everyone's rights are protected, as well as the reputation of Son Servants.

- At no time will counselors be in compromising situations with kids.
- There should be absolutely NO physical contact that can be interpreted as sexual advances made toward any camper or any trip participant.
- Adult counselors should not walk unaccompanied at night with campers in secluded areas.
- Adult counselors should not involve themselves in in-depth counseling with campers in secluded areas.
- These guidelines state clearly that there should be no inappropriate sexual conduct between counselor and campers, counselors and counselors, and campers and campers.
- When adult counselors are notified of inappropriate conduct by anyone, they must immediately report it to Danny Dotson, Director of Son Servants. Since the person in question may be a minor, state laws will be followed.
